**Subject: Office of Energy Infrastructure Safety Request for LS Power Grid California's (LS Power) Final 2023-2025 Wildfire Mitigation Plan**

Dear Mr. Hohlt:

LS Power submitted its 2023-2025 Wildfire Mitigation Plan (WMP) to the Office of Energy Infrastructure Safety (Energy Safety) on May 8, 2023. Energy Safety assessed LS Power's WMP, including all associated errata and responses to data requests, and published a Decision on LS Power's 2023-2025 WMP on January 29, 2024. The 2023-2025 WMP Process and Evaluation Guidelines require LS Power to submit to the docket within 10 Days of Energy Safety's Decision a final version of its WMP and include previously submitted errata.<sup>1,2</sup> Energy Safety has yet to receive the final version of LS Power's WMP. LS Power must submit the final version within 10 days of the publication of this letter (by February 24, 2024).

Sincerely,

A handwritten signature in black ink, appearing to read 'Suzie Rose'.

Suzie Rose  
Program Manager, Electric Safety Policy Division  
Office of Energy Infrastructure Safety
