RE: SDG&E 2025 Wildfire Mitigation Plan Update Submission

Dear Director Thomas Jacobs:

San Diego Gas & Electric (“SDG&E”) hereby provides to The Office of Energy Infrastructure Safety (“Energy Safety”) its 2025 Update to SDG&E’s 2023-2025 Wildfire Mitigation Plan (“WMP”). Consistent with Energy Safety’s 2025 WMP Update Guidelines, the following documents are included with SDG&E’s 2025 WMP Update submission:

- 1) 2025 WMP Update
- 2) Redlined 2023-2025 Base WMP. As there are no changes to the appendices of the 2023-2025 Base WMP, those appendices are not attached to the Redline version.
- 3) 2023-2025 Base WMP (Clean Updated) (public version)
- 4) 2023-2025 Base WMP (Clean Updated) (confidential version)

The public versions of the documents listed above will also be posted to SDG&E’s webpage at the following link: <https://www.sdge.com/2025-wildfire-mitigation-plan>.

Respectfully submitted,

/s/ Laura M. Fulton

Attorney for
San Diego Gas and Electric Company
