Re: Riverside Public Utilities 2024 Wildfire Mitigation Plan

To whom it may concern,

In compliance with Public Utilities Code section 8387, attached is Riverside Public Utilities (RPU) 2024 Wildfire Mitigation Plan (Plan). The Plan was presented to the Riverside Board of Public Utilities on June 10, 2024, and adopted by the Riverside City Council on June 18, 2024.

The 2024 Plan was not a comprehensive revision; therefore, an independent evaluator review was not required. The 2024 plan includes only minor, non-substantive changes, as well as updates to metrics, accomplishments, and project statuses.
