

Docket 23-UPs EUP Guideline Development, Electrical Undergrounding Plans

July 26, 2024

REQUEST FOR COMMENTS

Energy Safety held a workshop to discuss proposed edits to the Draft Electrical Undergrounding Plan Guidelines on July 25, 2024. Following the workshop, Pacific Gas and Electric (PG&E) submitted to the 2023-UPs Docket¹ “Pacific Gas and Electric Company’s Topics for Discussion on the Office of Energy Infrastructure Safety’s Revised Draft SB884/EUP Guidelines.” Energy Safety is soliciting comments from stakeholders on issues raised by PG&E and other topics discussed at the workshop. Comments are due **August 8, 2024** – Energy Safety requests that comments be submitted to the 2023-UPs Docket and emailed to electricalundergroundingplans@energysafety.ca.gov.
