

Southern California Edison Company's Application for Confidential Designation
Pursuant to California Code of Regulations § 29200

I, Shinjini Menon, declare and state:

1. I am the Senior Vice President of System Planning and Engineering at Southern California Edison Company (SCE). As such, I am responsible for overseeing and reviewing SCE's confidential materials being submitted to the Office of Energy Infrastructure Safety (OEIS). I am authorized to request confidential treatment via this application on behalf of SCE.

2. I am making this declaration pursuant to California Code of Regulations Title 14, Division 17, Chapter 1, Article 3, § 29200 and in accordance with the confidentiality bases set forth and applicable California Public Utilities Commission's precedent that govern the submission of confidential documents. SCE discloses this information pursuant to these bases as confidential materials and has not disclosed the information publicly.

3. The data covered by these confidentiality bases as described in the following paragraph is not customarily in the public domain.

4. One unredacted copy of the record containing the confidential information is included with this submission. A redacted copy of the record containing the information is also included.

5. The information has personally identifiable information of employees of Entities subject to commission reporting obligations and should be maintained as confidential information.

6. The data should be kept confidential for indefinitely.

7. Listed below are the data for which SCE is seeking confidential protection and the basis for SCE's confidentiality request.
