

OEIS Data Request 6.4

Regarding PacifiCorp's response to PC-23-02

- (a) In PacifiCorp's response to PC-23-02: Calculating Risk Scores Using 95th Percentile Values, PacifiCorp states that it "is discussing this required progress with the FireRisk model vendor to better understand their plan and will update Energy Safety with the vendor's plan and timeline." (PacifiCorp's redlined 2025 WMP Update R1, p. 27) When does PacifiCorp intend to provide this information to Energy Safety to satisfy its response to PC-23-02?

Response to OEIS Data Request 6.4

PacifiCorp intends to provide this information to Energy Safety in the Company's 2026 Wildfire Mitigation Plan (WMP).
