2. Office of Energy Infrastructure Safety Update on Responses to WSAB Recommendations

Action Taken/Discussion Points

Nicole Dunlap, Program and Project Supervisor, Office of Energy Infrastructure Safety, provided updates on the following:

- a. Wildfire Mitigation Plans (WMPs)
- b. Safety Culture Assessments
- c. Executive Compensation
- d. Safety Certifications
- e. Risk Modeling Working Group

Suzie Rose, Program and Project Supervisor, Office of Energy Infrastructure Safety (OEIS or Energy Safety), presented an overview of Energy Safety's ~~recommendations regarding the WSAB Recommendations report, WMPs, Performance Metrics, and Safety Culture Assessments (SCAs)~~ [Evaluation of the Wildfire Safety Advisory Board Recommendations for the Wildfire Mitigation Plan Guidelines, Performance Metrics, And Safety Culture Assessment Process](#).

Ms. Rose presented Energy Safety's recommendations to [the California Public Utilities Commission](#) to incorporate ~~Board recommendations~~ as proposed, incorporate with adjustments, potentially incorporate in the future, or do not incorporate.

Commented [SR1]: Perhaps add: for each of the recommendations in the WSAB Report

Sounds odd to say recommendations twice, but without this sounds like we just had one recommendation

Formatted: Indent: Left: 1.25", No bullets or numbering

Commented [SR2]: Board is sometimes capital and sometimes not. Not sure which it should be, but be consistent. Ok to have different in different contexts but I don't see the pattern. "The Board" seems to be capital all but here. Board Member(s)? Board Meeting?
