**Subject: Revised Schedule for 2025 Wildfire Mitigation Plan Update – PacifiCorp and Liberty Utilities**

The Office of Energy Infrastructure Safety (Energy Safety) is revising the draft Decision issuance date for PacifiCorp and Liberty Utilities in the *Revised Schedule for Group 2 Electrical Corporation 2025 Wildfire Mitigation Plan (WMP) Update*, published September 11, 2024.<sup>1</sup> Energy Safety is extending the draft Decision issuance date due to non-conforming submissions that resulted in a Rejection and Order to Resubmit for each electrical corporation, impacting Energy Safety's ability to timely issue draft Decisions. Previously, Energy Safety expected to issue the draft Decisions for PacifiCorp and Liberty by December 31, 2024. Energy Safety now expects to issue the draft Decisions for PacifiCorp and Liberty Utilities by January 31, 2025.

Sincerely,

/s/ Suzie Rose

Suzie Rose  
Program Manager, Electrical Safety Policy Division  
Office of Energy Infrastructure Safety
