WITHDRAWAL OF NOTICE OF VIOLATION

Ms. McMillin:

The Office of Energy Infrastructure Safety (Energy Safety) issued a Notice of Violation (NOV), NOV ESD_SDGE_CAC23_20240924_1133, to San Diego Gas and Electric (SDG&E) on December 19, 2024,¹ pursuant to Public Utilities Code section 326 and Government Code section 15475.1. SDG&E's response to the NOV, submitted on January 21, 2024,² addressed the identified violation as follows:

Violation 1: SDG&E's response clarified that the debris resulted from actions by a third-party tree contractor hired by the property owner, not SDG&E's vegetation management program. Based on this information, Energy Safety has withdrawn this violation.

Energy Safety has determined that SDG&E adequately addressed Energy Safety's concerns and no further action is required by San Diego Gas and Electric.

Sincerely,
