

MEMORANDUM

To: Electrical Undergrounding Plan Stakeholders
From: Electrical Undergrounding Division
Date: March 6, 2025
Re: Updated Example Geodatabase Template Files

Dear Stakeholders,

The Electrical Undergrounding Division would like to inform you that the example Geodatabase Template files have been updated to address minor errors to match descriptions in the adopted Electrical Undergrounding Plan Guidelines.

The updated templates are available for download on our website:

<https://energysafety.ca.gov/what-we-do/electrical-infrastructure-safety/https-energysafety-ca-gov-what-we-do-electrical-infrastructure-safety-electrical-undergrounding-division-sb-884/>.
