RE: PacifiCorp's Notification of Completion of Substantial Vegetation Management for 2024 in accordance with California Public Utilities Code Section 8386.3.(c)(5)(A):

Dear Director Jacobs:

PacifiCorp d/b/a Pacific Power (PacifiCorp or the company) provides this notice in accordance with California Public Utilities Code Section 8386.3(c)(5)(A), to inform the Office of Energy Infrastructure Safety that the company has completed a substantial portion of the following vegetation management initiatives included in its 2023-2025 Wildfire Mitigation Plan and reported in the 2024 Quarterly Data Reports:

- VM-01: Detailed inspections of vegetation around distribution electric lines and equipment
- VM-02: Detailed inspections of vegetation around transmission electric lines and equipment
- VM-03: Patrol inspections of vegetation around distribution electric lines and equipment
- VM-04: Patrol inspections of vegetation around transmission electric lines and equipment
- VM-05: Fuel management and reduction of "slash" from vegetation management activities
- VM-11: Quality assurance / quality control of vegetation inspections

If you have any questions regarding this request, please contact Pooja Kishore, Regulatory Affairs Manager at (503) 813-7314.

Sincerely,

Allen Berreth
Vice President of Power Delivery Operations
PacifiCorp
