CLOSURE OF NOTICE OF VIOLATION

Mr. Jarrod Meier:

The Office of Energy Infrastructure Safety (Energy Safety) issued Notice of Violation (NOV), NOV_ESD_PGE_RIB_20241112_1000 to PG&E on December 10, 2024¹. PG&E's response to the NOV, submitted on April 9, 2024, via email, addressed the violation.

After reviewing the photograph indicating that the danger trees were removed, Energy Safety has determined that PG&E has adequately addressed the issues identified in the NOV. For that reason, Energy Safety has closed NOV_ESD_PGE_RIB_20241112_1000, and no further action on this matter is required by PG&E.

If you have any questions, please contact me or Akiko Masuda at Akiko.Masuda@energysafety.ca.gov.

Sincerely,

Sheryl Bilbrey

Program Manager | Environmental Science Division
