Sacramento, CA 95814

**SUBJECT:** Southern California Edison's Notification of Completion of Substantial Vegetation Management in accordance with California Public Utilities Code Section 8386.3.(c)(5)(A) for VM-2: Structure Brushing as of April 30, 2025

Dear Director Thomas Jacobs,

In accordance with California Public Utilities Code Section 8386.3(c)(5)(A), Southern California Edison Company is providing notification to the Office of Energy Infrastructure Safety that it has completed a substantial portion of one of its 2025 Wildfire Mitigation Plan vegetation management initiatives as of April 30, 2025, as shown in the table below.

2025 WMP Initiative	YTD Completion Volume (as of 4/30/2025)
<u>VM-2: Structure Brushing</u> Inspect and clear (where clearance is needed) 63,700 structures with the exception of structures for which there are customer access or environmental constraints.	Approximately 53,500
