Re: Riverside Public Utilities 2025 Wildfire Mitigation Plan

To whom it may concern,

In compliance with Public Utilities Code section 8387, attached is Riverside Public Utilities (RPU) 2025 Wildfire Mitigation Plan (Plan). The Plan was presented to the Riverside Board of Public Utilities on June 9, 2025, and adopted by the Riverside City Council on June 24, 2025.

The 2025 Plan was not a comprehensive revision; therefore, an independent evaluator review was not required. The 2025 plan includes only minor, non-substantive changes, as well as updates to metrics, accomplishments, and project statuses.
