Re: Truckee Donner Public Utilities District 2025 Wildfire Mitigation Plan

To whom it may concern,

In compliance with Public Utilities Code section 8387, attached is Truckee Donner Public Utility District's (TDPUD's) 2025 Wildfire Mitigation Plan (Plan). The Plan was adopted by TDPUD's Board on June 4, 2025 and has been reviewed and updated for ADA compliance.

The Plan was an annual update and independent evaluator review was not required. The Plan includes only minor, non-substantive changes, as well as updates to metrics, accomplishments, and projects.

TDPUD's Board and staff appreciate the engagement of the WSAB with the public power community and look forward to our continued work together. If you have any questions, please contact me by e-mail at stevenponcelet@tdpud.org or by phone at 530-582-3951.
