RE: PacifiCorp's Response to Notice of Violation – CAD_PC_BKA_20250521_1503

Dear Patrick Doherty:

PacifiCorp provides the following response to the finding(s) identified in the “Notice of Violation CAD_PC_BKA_20250521_1503” (Notice of Violation or NOV) issued by the Office of Energy Infrastructure Safety (Energy Safety) on September 17, 2025. On May 21, 2025, Energy Safety conducted an inspection of PacifiCorp's WMP initiatives in the vicinity of the city of Mount Shasta, California.

Energy Safety found the following violations:

Violation 1. On pole ID 06240004.289700, Grid Hardening ID 8077847 at Volcanic Legacy Scenic Byway, Mount Shasta, CA, 96067, USA, 41.2883908520503, -122.308597826632, the inspector observed that the old pole adjacent to the newly replaced pole remained in use, with an attached riser carrying secondary conductors from the transformer mounted on the new pole.

Energy Safety concludes that there is a violation because of these facts:

1. A new pole was installed at the inspection location, next to an older pole.
2. The old pole remained in use to support a riser carrying secondary conductors.
3. Because the old pole remained in use to conduct electricity, it was not completely replaced by the new pole next to it.

Energy Safety considers this completeness violation to be in the Minor risk category.

PacifiCorp Response:

Corrective action has been completed for the Notice of Violation associated with Pole ID 06240004.289700. The previously installed older pole adjacent to the new pole has been removed. All secondary conductors and the power riser have been fully transferred to the new pole. This work fully corrects the four non-conformances. The three pictures below, taken October 6, 2025, show the issues at Pole ID 06240004.289700 have been resolved.

PacifiCorp appreciates the opportunity to provide this response to Energy Safety's CAD_PC_BKA_20250521_1503. Please refer any questions to Pooja Kishore, Regulatory Affairs Manager at 503-813-7314 or via email at pooja.kishore@pacificorp.com and californiadockets@pacificorp.com.
